You are going to be moving! This is very exciting! You'll have a whole new room to arrange as your own. You're going to move on from your house, and that can be a tough process even for grown-ups. But there are some things YOU can do to help! People will be coming to see your house. It's easier for you to move if your house isn't messy!

Here is where you come in! You can make sure your toys and books are picked up, your clothes are put away and your bed is made. The new people will love it! They will be so happy to see a tidy home, all thanks to you!

So let's make a deal. When your mom and dad tell me you did an awesome job helping out, you'll get a \$25 gift card to Target where you can buy anything you want (with mom and dad's permission)!! Your parents will tell you what chores are important for you to do each day.
